Beaconsfield Timber & Hardware supply terms

Quotes & Estimates: Unless stated otherwise, quotes are only valid if the full quantity is ordered and delivered within 30 days, except some special orders where a longer delivery lead time is required. You must ensure the quantities and specifics on which our quote is based, are correct and reflect your requirements. If you wish to change the order, we will requote. We will be bound to supply you the goods, once your purchase order is placed on us and then you will then be bound to pay for them.

Delivery: You will be charged for delivery unless otherwise specified and an estimated delivery date/time will be given in good faith, but accept no liability if delivery is late or if stock is not available in time for the scheduled delivery. Goods will be deposited at ground level on the delivery site unless you have arranged otherwise with us. You must ensure we have clear and safe access for delivery. We do not accept liability for damage to any property occurring in the course of delivery. If there is no authorised person present to accept delivery of goods on site, you authorise us to deliver the goods anyway. Should we be unable to deliver the goods, you may be required to pay for re-delivery later. The goods are at your risk after delivery.

Cancellations & Returns: Stocked product lines will be accepted for credit after inspection and being in suitable condition for resale, but we may require you to pay for any loss we incur for re-stocking. Some goods, including custom made or non-stocked items purchased specifically for your order are not returnable.
